

Principal's Update – 5 April 2024

Dear all

It is hard to believe that the eleven weeks of term 1 are coming to an end. The time has gone so quickly but also there have been so many fabulous events within the term including opportunities for parents to come to our school and see the wonderful spaces.

Thank you to those parents who braved the weather last night to attend Lisa Maltman's presentation regarding sleep. It was a fabulous presentation with so many good ideas for parents to support their teenagers. I thought it was so valuable that I hope to have Lisa come to school early next term to speak to Years' 11 and 12. I will again attach the link to her webpage as there is lots of valuable information to be found there:

This coming week we have Akoosticum on Tuesday evening in the school hall. The concert commences at 6.30 pm. This concert is purely music and I have been told by the music staff that there will be some special surprises for us all on the night. Of course everyone is welcome to attend and support our very talented music students.

Friday of course is the last day of term and as is tradition at Mosman, Year 10 will co-ordinate and present the ANZAC Day ceremony under the guidance of the history department. Then on 25 April the School Captains, Orlando and Salma will lay a wreath at the Dawn Service at Georges Heights on behalf of the school.

Term 2 for students commences on Tuesday 30 April. In that week Year 12 will receive their semester 1 reports and then in week 2 on 7 May, Year 11 will have their parent teacher night in the hall. Opportunities for appointments will be released shortly to parents.

A shorter update this week but hope you have a lovely weekend.

Susan
